SAUVIGNON BLANC

NAPA VALLEY

2020

2020 Vintage Notes

The 2020 season will be remembered as historic. In the Napa Valley, a warm, dry winter didn't give way to rain and cold weather until the end of March. The mild spring season gave us a great early start, while summer brought very cool mornings and very warm days. While the 2020 Napa Valley harvest proved to have its challenges, it is not without the hints of brilliance that define this magical area, the story of this vintage will continue to unfold over the years to come.

2020 Cultivar Napa Valley Sauvignon Blanc

Sunshine and a warm, golden-straw color jump from the glass, while the heady scent of Meyer lemon, orange blossom, and pineapple swirl in unison. Each sip reveals lux layers of tropical fruit, green apple, and key lime. The creamy texture and surprisingly long finish will leave you wanting more. Cook up some Cioppino, order some dim-sum, get some sushi to go, and pair with this wine with friends.
